VERIFICATION OF A TRANSLATION

I, the below named translator, hereby declare that:
My name and post office address are as stated below.
I am knowledgeable in the English language and in the Japanese language.

I believe the attached English translation to be a true and complete literal translation of the 60 page Japanese language patent application text with 6 sheets of drawings entitled "Switching power supply and control method for the same" by Koji YOSHIDA. This Japanese language document was filed in the United States Patent and Trademark Office on January 23, 2004.

I hereby declare that all statements made herein of my own knowledge are true and that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Date: April 5, 2004
